Tickets for Wimbledon Tennis Tournament:

We are affiliated to the Lawn Tennis Association and should receive an allocation of tickets from the LTA for the 2017 Wimbledon Tennis Tournament starting on **3rd July and ending 16th July**. It is of course the great tennis occasion of the year and quite possibly in the world. It is a fantastic day out.

Eligibility Criteria: The LTA's rules for the allocation of Wimbledon tickets have changed in recent years and our annual club draw is now limited to British Tennis Members registered as members of Mashamshire Tennis Club with British Tennis, and who have "Opted In" to the Wimbledon Ballot by the deadline date of 17th February 2017. British Tennis Membership is absolutely free and offers you regular updates and newsletter on British Tennis and our elite players. I should emphasise that "opting in" does not commit you to purchasing Wimbledon Tickets. However, even if you do not wish to be in the draw, meeting these criteria increases our club's allocation of tickets and there are many more benefits from registering. Please annotate the Annual Membership Form if you already have British Tennis Membership. For more information visit www.LTA.org.uk and our own website.

The date and timing of the 2017 club Wimbledon Ticket draw is Sunday 30th April at 10:15 am at the club's courts. You are most welcome to attend the draw.

Please note that tickets are supplied in pairs. Tickets cost approx £40 - £190 (each) depending on which court or day you might draw. Transport and any accommodation are your responsibility. Tickets are absolutely non-transferable and must be used by the named persons. Juniors must be aged 9 years at the time of the draw. Juniors and Intermediates must be accompanied by an adult at Wimbledon.

As some people are unavailable to visit Wimbledon, and to simplify matters, would you please inform us now whether you wish to be entered for the draw and return this form with your membership application. Please note that only those members who have met all the above Eligibility Criteria can be entered into the draw.

Do you wish to be entered in the Wimbledon draw? **YES** **NO**
