Adult Tennis Coaching

There are again a limited number of places available for members which will be allocated on a first come, first served basis - so don't delay!

Coaching of our Adult and Student Members is by the qualified and independent, professional tennis coach, Chris Worwood, who has been successfully coaching our members for a number of years.

- This is the ideal opportunity for beginners, players wishing to improve their skills, people who might not have played for a while and also for experienced players looking to improve parts of their game.
- The groups will be limited in numbers to cater for different skills levels.
- There are 8 one hour sessions in total and all for a grand total of only £40.00 per person (not including membership fee).
- Sessions start on **Friday 6th May** and are held each Friday during school term times at 6-7pm.
- Should a session be cancelled due to bad weather it will be replaced by an extra session.

Thank you for supporting your local tennis club.
